

FIERCE ST

SPORT TRUCK PERFORMANCE TIRE

If you're going to build a street truck, it only makes sense to fit it with a tire for that application – the Fierce ST. With an aggressive directional tread design and a rim protector to help protect those wheels, the Fierce ST is down with the low life.

FEATURES & BENEFITS

Full-width, high-density steel belts for outstanding control and long, even treadwear

Elliptical bead area helps insulate noise and vibration and helps resist rim slip

Rim protector helps guard wheels from accidental curb damage

Ventless Mold Technology provides premium appearance

Unique three-dimensional, directional tread design enhances the appearance of any vehicle

Directional tread design helps provide outstanding wet and dry handling

Optimized footprint for outstanding performance

M+S rating for all-season capability
