

POTENZA[™] RE050A Pole Position[™]

The Potenza RE050A Pole Position comes loaded with race-inspired technology: UNI-T for outstanding wet and dry traction, a tread pattern that promotes rapid water evacuation, variable dimensions in the tread blocks, and a smooth shape to reduce noise. An asymmetrical pattern in the RE050A Pole Position tread increases surface contact to enhance acceleration and cornering. Put this Potenza through the paces and discover what ultra-high performance really means.
